III. CONTRACT SPECIFICATIONS

Audit Contract - Period and Payment of Audit Fees

The Town intends to continue the relationship with the auditors for no less than three years starting with the fiscal year ending June 30, 2026. Based on cost estimates discussed below, the Town is requesting bids for a three-year period. Continuation after the first-year contract will be based on an annual review of the auditor, recommendation of the Town's staff, satisfactory negotiation of terms (including price), and availability of an appropriation. Each year after negotiation has taken place, an annual contract documenting the terms of the audit will be signed. Since one governing board may not obligate future governing boards, the remaining years of the agreement are subject to annual governing board approval. After the initial three-year period, an annual extension may be granted by the Town. The years identified under this RFP are:

July 1, 2025 to June 30, 2026
July 1, 2026 to June 30, 2027
July 1, 2027 to June 30, 2028

The current version of the form "Contract to Audit Accounts" (form LGC-205) is required to be executed as the contract document; however, the auditor and the Town may also execute an engagement letter and/or a Town contract to include additional terms not addressed in the LGC-205. The entire audit contract package must be approved by the staff of the LGC. Invoices are subject to approval by the LGC prior to payment by the Town. Interim or progress billings for services rendered marked approved by the LGC will be paid up to 75% of the total fee prior to submission of the final audited financial statements to the staff of the LGC. The final 25% of the audit fees (final invoice) will be paid when the financial statements, single audit (if applicable), management letter and amended contract (if applicable) have been reviewed or approved by the LGC.
